REPORT NO.

The Meuselwitz heavy machine works delivered two turret lathes, bench length about 2 meters, to the Soviet Union in Nov 1953. Three more lathes are being built. Light metal drawing presses are also being built for the Soviet Union; six have been ordered for 1954 delivery. The presses are not set up at Meuselwitz, but probably after delivery in the Soviet Union. Several Soviet Zone firms do work on these presses.
